## TOWN HONORS VOLUNTEERS

Celebration Among the Oaks this year was an unprecedented success, with more of the community participating in this family-friendly event than ever before. With the growing popularity of Town events comes the need for additional resources.

Without the dedication, hard work and generosity of Oakland's wonderful volunteers, an event such as this could not be possible without added expense and strain on Town staff. Volunteer service alone for Celebration Among the Oaks equated to a savings to the Town of over \$1,200 in time and labor.

From expertly parking over 500 cars, to crowd control, to assisting families capturing precious moments with the Easter bunny, our nearly 40 volunteers served the Town well, with exemplary professionalism and always with a warm smile. They captured and shared the small-town, friendly spirit Oakland is and always will be known for.

We are grateful for this opportunity to recognize the impact of our volunteers and thank them for helping to build a stronger community. We'd like to take a moment to shine a light on those who inspire us and do so much behind the scenes, lending their time and talent to make a difference.

We thank our volunteers for bringing value to the community and thank West Orange Creamery for donating ice cream for our ice cream social.

## PUBLIC WORKS HONORED WITH PROCLAMATION

Mayor Kathy Stark proclaimed May 15-21 as National Public Works Week in Oakland.

Public works professionals focus on infrastructure, facilities and services that are of vital importance to resilient communities and to the quality of life and well-being of the people of the Town of Oakland.

## PD TEAMS UP WITH BEST FOOT FORWARD

With school to let out soon, paired with the tremendous increase in trail use across the past few years, the Oakland Police Department and Best Foot Forward are educating drivers on the requirement to yield to anyone in the crosswalk, be it a bicycle or a pedestrian.

Did you know that from 2017 to 2021 the West Orange Trail saw an increase in trail users by 39%? That's huge when you consider the population of Central Florida has only grown by 11% across the same timeframe.

Learn more about crosswalk safety and enforcement here: <https://www.iyield4peds.org>.

## PEACE OFFICERS MEMORIAL DAY PROCLAIMED

Mayor Kathy Stark proclaimed Sunday, May 15 as Peace Officers Memorial Day in Oakland in honor of those peace officers who, through their courageous deeds, have lost their lives or have become disabled in the performance of duty.

Mayor Stark called upon all citizens of Oakland to observe the week of May 15 through May 21 as National Police Week to commemorate police officers, past and present, who by their faithful and loyal devotion to their responsibilities have rendered a dedicated service to their communities.

In doing so, they have established for themselves an enviable and enduring reputation for preserving the rights and security of all citizens.

## LOCAL BUSINESS OWNER HONORED

The Oakland Police Department presented the Oakland PD Chief of Police Award to Tony Siceloff, the owner/operator of Trailside Crossfit. Mr. Siceloff volunteered his business and staff to host the PD's first annual bench press competition for the purpose of raising money for Special Olympics.

Our first event was a massive success and netted almost \$1,000 for this important charity. Police and Fire agencies throughout Central Florida attended, as well as many local residents, who came out to compete.

Business leaders in our community play an important role in our Town especially when partnering with us in charity events such as Special Olympics.

## OFFICERS COLLECT SPORTS BALLS FOR KIDS

Activities like recess play help children engage in physical activity. That's why the Oakland PD partners with GROW Central Florida to help develop the healthiest children by supporting community wellness initiatives.

Thanks to the generous support of our community, we were able to collect dozens of sports balls for local children.
