FLORIDA CITY GOVERNMENT WEEK

2022 Florida City Government Week will be held October 17-23. Remember to tag @FLCities and use the hashtag #FLCityWeek when sharing on social platforms!

Florida City Government Week, held annually in October, is a time for cities across the state to celebrate, showcase and engage citizens in the work of municipal government.

Municipal government is the government closest to the people and generally receives higher approval ratings than other levels of government. Yet, many residents are unaware of how city services impact their lives.

To bring awareness, Mayor Kathy Stark proclaimed Florida City Government Week will be held October 17-23 in Oakland. During this week, we celebrate our leaders, staff, teachers, police officers, volunteers and residents who work together to make Oakland so special.

"Government closest to its citizens has the most direct daily impact upon its residents."
